**COMMITMENT TO EQUAL OPPORTUNITY:**

It is the policy of the City of San Diego to encourage equal opportunity in its professional services contracts. Toward this end, proposals from small businesses, disabled owned businesses, women owned businesses, firms owned by African-Americans, Native Americans, Asian-Americans, Filipinos and Latinos, and local firms are strongly encouraged. Prime Consultants are encouraged to subconsult or joint venture with these firms. The City endeavors to do business with firms sharing the City's commitment to equal opportunity and will not do business with any firm that discriminates on the basis of race, religion, color, ancestry, age, gender, sexual orientation, disability, medical condition, or place of birth.

If your firm wishes to claim status as a certified Disadvantaged Business Enterprise (DBE) or a Disabled Veteran Business Enterprise (DVBE) please attach a copy of your certificate. If your firm is not currently certified and is interested in participating as a DBE in the Unified Certification Program (UCP) of California or wishes to obtain DVBE status, the applications, information and directions are available at the following websites:

**GENERAL DESCRIPTION AND SCOPE OF SERVICES:**

The selected firm will provide environmental consulting services for an EIR/EIS with historical impacts emphasis for CIP 52-555.0, Replacement of the Georgia Street Bridge over University Avenue. The bridge resource is listed on the National Register of Historical Places, including the retaining walls and street cut. The EIR/EIS will be required to investigate the impacts of replacement, retrofit/rehabilitation, and "no-project" alternatives in coordination with the bridge consultant, Martin & Libby. Federal funding and Caltrans oversight and coordination is included, a NEPA/CEQA joint document is envisioned, along with extensive public involvement/outreach. An HPSR has already been prepared. A Caltrans Preaward Audit will be required for the contract. The DBE Availability Advisory Level for this project is 5%.

The estimated consultant fee is \$350,000
